

Flower sizes at different scales

Visit my "garden center" for resources on small-scale flower making: www.btz.se/minis/DIY/index_flowers.php

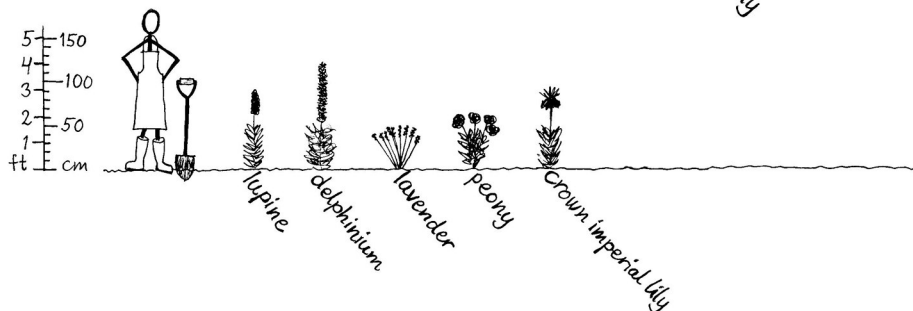

1:48 (1/4" scale)

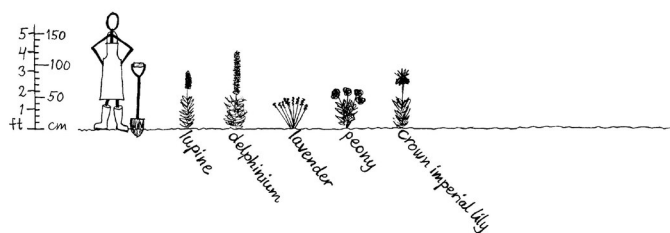

1:76 (00)

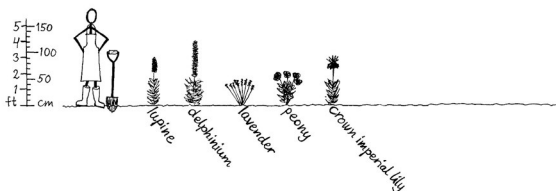

1:87 (H0)

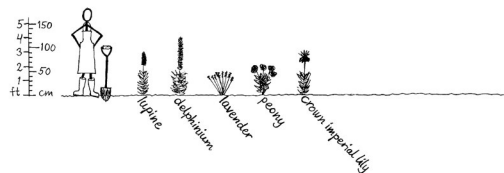

1:120 (TT)

1:144

1:160 (N)

For correct size, please print with "Page scaling" set to "None" in the print dialogue window.

On a correctly scaled printout, this line is 51 mm or 2" long:
